Gut Pile & Carcass Disposal Sites

Guidelines →

Guidelines

Disposal

ACK has few scavengers to clean up gut piles. Please place all gut piles in compostable bags, carcasses in heavy-duty contractor bags, and drop them in the gut bag / carcass dumpsters that are open 24 hours a day.

Gut bags and carcasses ONLY – no other trash

Hunting on Nantucket

ACKdeer welcomes deer hunters. Nantucket is a small island shared with hunters and many non-hunters.

- **Please hunt ACK-friendly.**
- **Be aware of properties closed to hunting and/or trespassing.**
- **Observe all Massachusetts hunting regulations.**

For more info visit: www.mass.gov/info-details/deer-hunting-regulations

Share the Harvest

Harvest additional deer and donate to MassWildlife's Hunters Share the Harvest Program. Your donations provide high-protein, low-fat meals for food-insecure Nantucket residents.
